Re: Accessibility Modified Art Programs for Adults (AMAPA) Bursary Program

To Whom it May Concern:

I am writing this letter on behalf of _____'s application to receive subsidized funding for the AMAPA adult art classes run at Casa. Without the financial support of your AMAPA Bursary, _____ will not be able to participate in the art class. This class will enrich the student's quality of life through creative exploration, and be a welcome and fun social setting for them to participate in.

Thank you,
