

Casa Gallery Call for Submissions:

CASA CONCOURSE GALLERY and FOCUS GALLERY

Deadline: November 30, 2025

The Gallery at Casa has several auxiliary exhibition spaces around the building, including the Concourse Gallery and Showcase on the second floor and the Focus Gallery. These display areas have been reserved for use by community groups, as well as local and regional artists. The Concourse Gallery is in the second-floor hallway. The Focus Gallery is located adjacent to the Dance Studio on the second floor.

There is a less rigorous process for applying to exhibit in the auxiliary galleries. Please forward, by email or hard copy:

- a brief biographical sketch
- a short artist statement
- a paragraph about the proposed exhibit
- a selection of images of the artwork.
- Please use "Auxiliary Gallery Proposal 2027" in the subject line.

There are very limited exhibitions slots. Casa endeavours to exhibit a fair and balanced representation of artists, media and disciplines. If your submission is declined, please do not view it as a statement on the quality of your work, rather a reflection of our limited space.

The Casa Concourse Gallery pays an honorarium of \$200, and artists are welcome to have their work for sale. The Focus Gallery does not pay artist fees at this time.

Please direct all questions to gallery@artslethbridge.org
