

Casa Gallery Call for Submissions:

CASA PROJECT SPACE

Deadline: November 30, 2025

The Project Space is a dedicated space for artists working in expanded, challenging, and dynamic ways - located just outside the Main Gallery on the main floor of Casa. The display space is a shallow vitrine best suited for small-scale installations and/or pieces that engage individuals in a high traffic site.

This display area has been designated for site-specific work. The Gallery at Casa supports exhibitions from artists with diverse experience levels, backgrounds, and a variety of media. The Project Space provides a flexible exhibition platform for artists seeking out alternative or semi-public display venues. The duration of the exhibition will match that of the exhibitions in the Main Gallery space, which span from six – eight weeks.

The Gallery at Casa welcomes and encourage proposals from all emerging artists regardless of ability, culture, ethnicity, citizenship, gender identity, or race. Please note that only proposals from Albertan artists will be considered at this time.

The artist is responsible for all materials, equipment, shipping, and/or travel if necessary. The Gallery at Casa pays an artist fee of \$500 for the Project Space. Artists will be notified about the status of their submissions by late January 2026.
