

THE GALLERY AT CASA MAIN GALLERY

Deadline: November 30, 2021

The Gallery at Casa is calling for submissions to fill select openings in our 2023 calendar year. Submissions are ongoing until November 30, 2021. Artists will be notified about the status of their submissions by late January 2022. The Gallery is looking for work in all media and disciplines, from the traditional to the experimental, from both individuals and groups of artists. Proposed bodies of work consisting of painting, sculpture, video, fine craft and installation are all welcome. Exhibitions will run for 5 - 6 weeks, and all participants in the program will be paid a fair artist fee. A major criterion for accepting proposals will be the individual's commitment to, and investment in, their practice, coupled with a disciplined studio ethic, the quality of the work, and an interesting and creative proposal. Artists from the region, or artists with a connection to our region are preferred.

NOTE: We have an *extremely* limited number of exhibition slots in the 2023 calendar year, and the gallery endeavors to exhibit a fair and balanced representation of artists, media and disciplines. If your submission is declined, please do not view it as a statement on the quality of your work, rather a reflection of our limited space. Casa pays an artist fee of \$1545 to artists selected for exhibitions in the main gallery.
