

# THE GALLERY

---

at Casa

**CASA CONCOURSE GALLERY and SHOWCASE**  
**Deadline: November 30, 2022**

The Gallery at Casa has several auxiliary exhibition spaces around the building, including the Concourse Gallery and Showcase on the second floor. These display areas have been reserved for use by community groups, as well as local and regional artists.

There is a less rigorous process for applying to exhibit in the auxiliary galleries. Please forward, by email or hard copy, a brief biographical sketch, a short artist statement, a paragraph about the proposed exhibit and a selection of images of the artwork.

There are very limited exhibitions slots. Casa endeavours to exhibit a fair and balanced representation of artists, media and disciplines. If your submission is declined, please do not view it as a statement on the quality of your work, rather a reflection of our limited space.

The Casa Concourse Gallery and Showcase pays an honorarium of \$200, and artists are welcome to have their work for sale.
